THE WHEAT CROP.

What Well Informed Farmers Think About the Prospect.

The CHRONICLE this week made inquiry of a number of farmers throughout the country tributary to Clarksville concerning the condition of the wheat crop and the following replys have been received and others will be published next week :

DISTRICT NO. 6. With an unusualy favorable season oats, or other crops. With continued of a crop in my opinion. G. H. S.

DISTRICT NO. 7. The little wheat I have seen, is look- ition of a happy immortality. ing badly, probably one-third of it was winter killed, while the remainder has been greatly retarded in growth. To the Chronicle: of a lousy calf." Sunshine and show- died at her home in Erin, Tenn., April 1 ers may yet bring it out, resulting in a much better crop than the present appearance indicates.

A. G. GOODLETT. STEWART COUNTY. The wheat crop in this immediate Southside, who have both been ill for now there is a marked improvement a tolerably fair crop from early wheat, desolate. Long will her christian influence but for wheat that was sown last, there | be felt among her circle of friends in Erit

> T. W. LEWIS, JR. Cumberland City.

HOUSTON COUNTY. The wheat prospect in this part of Houston county is bad, I might say it It is the same all over the county, and will be a complete failure. I. F. MCMILLAN.

DISTRICT NO. 15. The wheat in this section is very plowed up and sown in oats. If seasons are favorable, it will average about

The wheat crop in this section is almost a total failure. Some fields have been sown in oats, the best fields will not make more than half crop. We put the crop in this immediate neighborhood down at one-third, and W. J. LYLE.

DISTRICT NO. 17. Only about 75 per cent. of an average crop of wheat was seeded last full. and I think 50 per cent of that is winhome in the 10th district Sunday to something else. The yield from the ter killed and the land will be seeded morning at quite an advanced age. balance will be light, judging from present indications. Lewis Lowe. Pleasant Mound, Tenn.

DISTRICT No. 19. The wheat crop from present appearances, will be almost an entire failure in this neighborhood, this spring. R. H. McEALL.

Sailor's Rest. Tenn. TODD AND LOGAN COUNTIES. Within an area of ten miles we annot expect to make more than one-

third of a crop, with seasons favorable. Many fields are almost bare and others are looking moderately well. W. S. GHL.

R. D. YOUNG. CALDWELL COUNTY, KY. third to half crop in this section. I has fallen-as a ripe sheeth he was garnered.

have given full estimate. ROBERTSON COUNTY. The wheat in this section is nearly worthless, there will not be one-third live was Christ, for him to die was gain. the usual crop. More than two-thirds of the acreage is dead, frozen out, and from appearances now, what is left will not be fit to cat. The only wheat which is any account, is that which was drilled early and well fertilized. Wheat sown broadcast is in almost

every instance utterly worthless. Joseph E. Washington,

TRIGG COUNTY, KY. We have interviewed a number of our best farmers and large wheat growers and their opinion is that the crop will not exceed one-third or one-half of an average crop in yield. A large acreage here, but the yield will be ton special to the New York Evening small, caused by the excessive cold Tellegram of Monday. The gentleman weather, freezes &c., and but little rain referred to is well remembered in during the winter and spring the crop | Clarksville, He is a brother of Mr. E. here will be very short, judging from B. Ross, still a citizen of this county: present prospects. Gaines Bros.

Montgomery, Ky. CHRISTIAN COUNTY, KY. The prospect for a wheat crop this year is not encouraging. The opinion aggerated. But he is quite feeble, and prevails among the farmers of this received at the battle of Buena yield can be expected. Many have plowed up late sowings and substituted
